

# Pheasants Forever & Quail Forever 2020 Habitat Tours

Date & Time	Event Name & Description	Location
June 10 1:00 to 3:30 pm CST	<b>The New CRP of 2020:</b> See and understand the many different CRP practices that are available to benefit soil, water, and wildlife. Learn the best option based on your objective to make CRP work for you. Event will include both indoor and field training with plant identification, wildlife habitat techniques, and wildlife biology.	<b>Red Willow Fairgrounds 4H Building</b> 1412 West 5th Street McCook, NE 69001
June 11 1:00 to 3:30 pm CST	<b>The New CRP of 2020:</b> See and understand the many different CRP practices that are available to benefit soil, water, and wildlife. Learn the best option based on your objective to make CRP work for you. Event will include both indoor and field training with plant identification, wildlife habitat techniques, and wildlife biology.	<b>Duncan Building</b> Main Street Unadilla, NE 68454
June 20 5:30 to 8:00 pm CST	<b>Family Nature Night:</b> On the first day of summer, Ducks Unlimited and Pheasants Forever will partner to provide a fun family nature night at the Verona Complex! Bird song identification, pollinator netting programs, wetland ecology and habitat tours, large grazer management, and more will be provided for your enjoyment. Come see the birds, bees, and butterflies that could be in your own backyard! Education events for families and landowners of all ages. <b>A meal will be provided for those who attend, please RSVP.</b>	<b>Verona Complex Fallen Heroes Memorial Pull Off Area</b> County Road 315 & R Road, Northeast of Clay Center, NE 68933
June 24 5:00 to 8:30 pm MNT	<b>Wildflowers, Wine &amp; Whiskey Wednesday:</b> It's National Pollinator Week. Come celebrate with us at our habitat tour. We will make stops at habitat areas and learn to identify blooming wildflowers. And the best part?! We will learn about the importance of pollinators to our food and beverages while sampling some of them! <b>A meal will be provided for those who attend, please RSVP.</b>	<b>Imperial JC Hall</b> East 5th Street, South end of the Chase County Fairgrounds, Imperial, NE 69033
June 27 11:00 am to 1:00 pm CST	<b>Pollinator Palooza:</b> Join Conservation Nebraska and Pheasants Forever as we celebrate bees and birds in your area! Participants will have the opportunity to learn from local conservationists about important native pollinators and birds while building bee hotels and bluebird boxes. We'll also highlight conservation programs for wildlife and visit a local wildflower habitat and view active blue bird nest boxes. <b>Light snacks will be provided. A concession stand is available on site for those looking to purchase a lunch.</b>	<b>Cody Park</b> 1601 North Jeffers Street North Platte, NE 69101
July 23 5:00 to 8:00 pm CST	<b>Working Lands for Wildlife: It's for Birds and Beef!</b> Join us for an informational evening showcasing the impact Eastern Red Cedar has on grazing systems, wildlife habitat, and a rancher's bottom line. The Working Lands for Wildlife program will be highlighted. Questions will be answered on financial and technical assistance through this program and our partnerships. <b>A meal will be provided for those who attend, please RSVP.</b>	<b>Cast Iron Bar &amp; Grille</b> 806 US-20 Stuart, NE 68780
July 23 11:00 to 3:00 pm CST	<b>The New CRP of 2020:</b> See and understand the many different CRP practices that are available to benefit soil, water, and wildlife. Learn the best option based on your objective to make CRP work for you. Event will include both indoor and field training with plant identification, wildlife habitat techniques, and wildlife biology. <b>A meal will be provided for those who attend, please RSVP.</b>	<b>Pierce USDA Service Center</b> 210 East Main Street Pierce, NE 68767
July 25 7:00 to 10:00 pm MNT	<b>Bonding with Bats:</b> Join Pheasants Forever, Nebraska Game and Parks Commission, and Forest Service staff for a rare opportunity to get up close and personal with a highly misunderstood, flying mammal. Chadron State Park will host the opportunity to learn about bats and what they need to survive in Nebraska's Panhandle. This workshop will start with a presentation on bat ecology before taking a short night hike to observe mist netting and acoustic monitoring techniques. Available for all ages! <b>Nebraska State Park Permit Required.</b>	<b>Chadron State Park Lagoon Shelter</b> 15951 Highway 385 Chadron, NE 69337 <b>Shelter is located north of main entrance</b>
August 8 10:00 to 11:30 am CST	<b>Walk on the Wild Side:</b> Walk on the wild side as Nebraska Game and Parks naturalists, biologists, and Pheasants Forever join for a habitat stroll to remember. Participants will walk the Ft. Kearny Hike & Bike path to portions of the Bassway Strip Wildlife Management Area searching for native edibles, identifying plants and their uses, bird watching and more! Don't miss your chance to walk on the wild side. <b>Bikes and pets welcome; Nebraska State Park Permit required. Turn left at the Brown Shack and follow around to 2nd parking lot.</b>	<b>Fort Kearny State Recreation Area Hike &amp; Bike Trail</b> 1020 V Road Kearney, NE 68848
September 13 1:00 to 3:00 pm CST	<b>Monarch Tagging at Lake Wanahoo:</b> Join us for a Monarch Butterfly tagging event at Lake Wanahoo where you will have the chance to catch, tag, and release Monarch Butterflies. See if the ones you tag make it to Mexico this fall migration!	<b>Ron Larsen Day Use Area</b> 1651 County Road 16 Wahoo, NE 68066

**Workshops are FREE!** Visit [www.NebraskaPF.com](http://www.NebraskaPF.com) or contact Ashley at [asnelson@pheasantsforever.org](mailto:asnelson@pheasantsforever.org) for more information or to RSVP.
