**News Release:**

**Nebraska Environmental Trust Will Open Applications for the 2027 Grant Cycle**

The Nebraska Environmental Trust (NET) grant cycle for funding year 2027 will open for applications on Monday, July 13, 2026. Applications will be accepted until Tuesday, September 8, 2026, at 11:59 p.m. CDT.

Over \$25 million is available for the 2027 grant cycle. The funds, awarded through NET, will support the mission to conserve, enhance, and restore Nebraska's natural environments.

More information can be found on the NET website: <https://environmentaltrust.nebraska.gov>

***Who Can Apply/What Qualifies***

Individuals, public entities, and private organizations are welcome to apply. There are no restrictions on applicants or project sponsors as long as the project falls within the eligibility criteria.

Successful grant applications will address one or more of the following categories: habitat, surface and ground water, waste management, air quality, or soil management.

***Where to Apply***

Applications must be submitted through the online grant's portal, located at the following address: <https://environmentaltrustgrants.org>

NET staff are available to assist applicants. Contact NET at 402-471-5409 or [env.trust@nebraska.gov](mailto:env.trust@nebraska.gov).
