News Release:

Nebraska Environmental Trust Will Open for Applications for 2024 Grant Cycle

August 9, 2023 (Lincoln, NEB.) – The Nebraska Environmental Trust (NET) grant cycle for funding year 2024 will open for applications on Tuesday, August 15, 2023. Applications will be accepted until Tuesday, September 5, 2023, at 11:59 p.m. CDT.

\$20.5 million is available for the 2024 grant cycle. The funds, awarded through NET, will support the mission to conserve, enhance, and restore the natural environments of Nebraska. More information on NET can be found on the NET website (<https://environmentaltrust.nebraska.gov>).

Who Can Apply/What Qualifies

Individuals, public entities, and private organizations are welcome to apply. There are no restrictions on applicants or project sponsors as long as the project falls within the eligibility criteria (see links below). Successful grant applications will address one or more of the following categories: habitat, surface and ground water, waste management, air quality, or soil management.

More information on the NET grant process can be found here:

<https://environmentaltrust.nebraska.gov/grants/index.html>

A list of frequently asked questions can be found here:
